NOTE—Contn. sheet.

Submitted to His Highness.

Mr. Ànanda Rao Sirsi, Deputy Commissioner, now on combined leave preparatory to retirement, has made the following requests:-

(1) That his service as Deputy Commissioner from April 1919 may be treated as fully counting for pension so that he may get the maximum pension admissible under the rules and

(2) That the allowance of Rs.200 per mensem drawn by him as President of the Bangalore City Municipal Council may also be counted towards his pension.

2. Mr. Ananda Rao Sirsi's name is included in Appendix of the Mysore Service Regulations and he is therefore eligible to the higher maximum pension of Rs.6,000 per annum if half his average salary amounts to this. He was acting as Deputy Commissioner, third class, from 28th April 1919 to 3rd October 1921. From the 4th October 1921 he has been either provisionally permanent or sub pro tem in the third class of Deputy Commissioners except for a small period from 1st October 1923 to 20th November 1923 when he reverted as Acting Deputy Commissioner. He has also been acting in the second class of Deputy Commissioners from 1st August 1922 to 14th December 1923 and sub pro tem in that class from 15th December 1923. He has been on other duty as President of the Bangalore City Municipal Council from 19th December 1921 with an allowance of Rs.200 per mensem. Under the rules, acting allowances do not count for pension and it is not possible to comply with his request to treat acting service as counting for pension.

3. In the order sanctioning an allowance of Rs.200 to Mr. Ananda Rao Sirsi when he was appointed President of the Bangalore City Municipality, it was not specified as

a duty allowance though it is of the nature of a duty allowance. The Chief Secretary and the Financial Secretary recommend that this allowance may be treated as a duty allowance and counted for pension as has been done in the case of a few officers, viz., Messrs. T.E.Jeyarama Iyer, Revenue Secretary, S.Srinivasiengar, Assistant Secretary, and B.Seshagiri Rao, Registrar of the General and Revenue Secretariat.

Office of the President,
City Municipal Council,
Bangalore, dated 3rd November 1923

CB 106-23-1

Dear Sir,

Before I go on leave I desire to assure myself of the amount of my pension after retirement, which will commence on the termination of my leave.

2. I was appointed in April 1918 to act as Deputy Commissioner on Rs.800/- in the vacancy caused by the promotion of Mr. A. Subbramanier as Inspector General of Police and I have been in the grade of Deputy Commissioner since then. In January 1923 I was promoted to the second grade on Rs.1000/-. All that I am anxious is that my service as Deputy Commissioner should fully count for pension so that I may get the maximum pension allowable under the rules. Considering the large number of permanent vacancies which have been existing from a long time I do not think it is difficult to assign for me one of such vacancies. Of the officers senior to me in the list of Deputy Commissioners who are not yet confirmed there may be some who have still several years of service before them and whose pension will not be affected by their not being counted against substantive vacancies if the number of such vacancies is not sufficient to provide for them and also for me. I believe my pension will be borne by Government and the Bangalore City Municipality according to the rule of proportion and any consideration shown to me in the matter of my pension will not be wholly at the expense of Government as a part of it will be shared by the Municipality.

3. The Government may also be pleased to direct that the allowance of Rs.200/- which I have been drawing for the past 2 years and which has not yet been defined, be regarded as "duty allowance" and count for pension.

4. The above concessions will enable me to get my full pension and relieve me of all anxiety.

5. In this connection I wish to merely point out that while my term of office lasts will 10th July 1924, I have consented to retire from April 1924 even at the loss of 3 months pay, so as to suit the emigencies of my future work under Government.

6. I request you to place this letter before the Dewan so that I might have the favor of his decision in the matter as early as may be convenient.

I am, Yours Sincerely,

Ameen Ahmed Khan
